SOCIÉTÉ INTERNATIONALE DE DESSALEMENT

: Manufacturer of Water Desalination plants on turn-key basis.

Partial Projects List

Partial Projects References Supplied/Installed/Commissioned by
Yateem Commercial Company WLL:

- :
- Salmaniya Medical Center.
 - Bahrain Specialist Hospital.
 - Project P555 Palace.
 - Gulf International Bank (GIB).
 - Civil Aviation – Bahrain International Airport.
 - IBIS Hotel.
 - A'Ali Mall.

- :
- Paris I & Paris II Buildings @ Juffair.
 - Supply of Pipe Clamps & Supporting Clamps for various projects.
 - Supply of Sound Insulation System for various projects.

- :
- Air Intake Filter House for Riffa'a Power Station Phase I.
 - Supply of Filters for various projects.

- :
- Salmaniya Medical Center (Installed Landis & Gyr in 1985, first BMS in the Kingdom).
 - Civil Aviation – Bahrain International Airport.
 - Bank of Bahrain & Kuwait (BBK).
 - Gulf International Bank (GIB).
 - NSA Headquarters.
 - Riffa'a Views International School.
 - BBK Financial Mall.
 - A'Ali Mall.

Transmission & Distribution.

- :
- Various Electric Transmission Sub-Stations (220kV & 66kV): Transformers, Switchgears & Submarine Cables.
 - Distribution Transformers 11kV.

ALSTOM | Power
Formerly ABB | Power

- : - Riffa'a Power Station Phase II.
- Riffa'a Power Station Phase II – Rehabilitation.
- Hidd Power Station Phase I & II.
- ALBA Power Station.

ELSTER 

- : - Various supply of electronic & electro-mechanic electricity energy meters.

sidem
سیدم

- : - 60 million gallons per day desalination plant @ Hidd phase III.
